

2016 Early Childhood Profile

Warren County

The Early Childhood Profile is produced by the Kentucky Center for Education and Workforce Statistics (KCEWS) for the Governor's Office of Early Childhood (GOEC) and the Early Childhood Advisory Council (ECAC) utilizing data from the Kentucky Longitudinal Data System (KLDS).

Kindergarten Readiness

Kindergarten readiness means that each child enters school ready to engage in and benefit from early learning experiences that best promote the child's success. The kindergarten screener measures readiness in five important domains. The composite readiness score reflected here is comprised of the academic/cognitive, language development, and physical development domains.
